

I am appalled at Sinclair Broadcast Group's recent actions which exploit their power for partisan gain.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This is patently being disrespected in the matter of campaign "news" coverage which is actually closer to republican party propoganda!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
